

Maple Leaf Play Area • Schematic Concepts • COMMENTS

Comment period ends July 27, 2011

Friends for a Greater Maple Leaf Park provides the opportunity to offer to help Parks make the Maple Leaf Family Terrace the best it can be. Please offer your comments and opinions on the Schematic Concepts for the Maple Leaf Play Area.

These Schematic Concepts you will be commenting on are available for viewing: (1) on the Maple Leaf Community website (http://www.mapleleafcommunity.org/cc_ULMP_pg.html); (2) the Seattle Parks website (http://www.seattle.gov/parks/projects/maple_leaf_reservoir/); (3) the window at 8521 Roosevelt; and at (4) Cloud City Coffee, (5) The Blue Saucer, & (6) Cafe Javisti. They will also be available at the Maple Leaf Summer Social, Wednesday, July 27th, 6:30 to 8:30 at the Maple Leaf Playground. The overall theme emulates the regions of the northwest and includes mima mounds, talus rock slopes and grasses to represent the Palouse. The numbers to the left of the drawings give brief descriptions of what's included in each area.

There is also a video of the July 13 meeting available on the Upper Maple Leaf Reservoir Park page on the Maple Leaf Community website — we hope viewing this meeting may answer questions or fill in blanks you may have.

This form is available online at http://www.mapleleafcommunity.org/cc_ULMP_pg.html as well as at the neighborhood locations listed above. Comments must be returned to the address at the end of this sheet by Wednesday, July 27, 2011.

A little background: This form is to invite the participation of the neighborhood in the design of the Play Area of the greater Maple Leaf Reservoir Park plan. The play area, also known as The Family Terrace, includes a built play area (more traditional equipment), an adventure play zone, and a children's garden.

The Parks & Green Spaces Levy is providing \$450,000 total project costs for the renovation of the the Maple Leaf Play Area. This budget covers planning, design, and construction costs. A local family and the Maple Leaf Community Council have partnered to secure an additional \$175,000 (\$75,000 in fundraising and \$100,000 from the Department of Neighborhoods Large Matching Fund) to go towards developing the adventure play zone and children's garden.

Please answer the following 5 questions about the concepts presented at the July 13th meeting by The Berger Partnership and the Parks Dept. They are accepting opinions and comments about the elements within each concept.

1. What sort of Playground Equipment would you like to see in the Play Area? *List your top priorities.*

2. What do you like about Concept #1?

3. What do you like about Concept #2?

4. What elements from both concepts are most important to you?
(The final design will likely be a combination of elements from both concepts.)

5. Do you have any additional comments you like to send to the design team?
